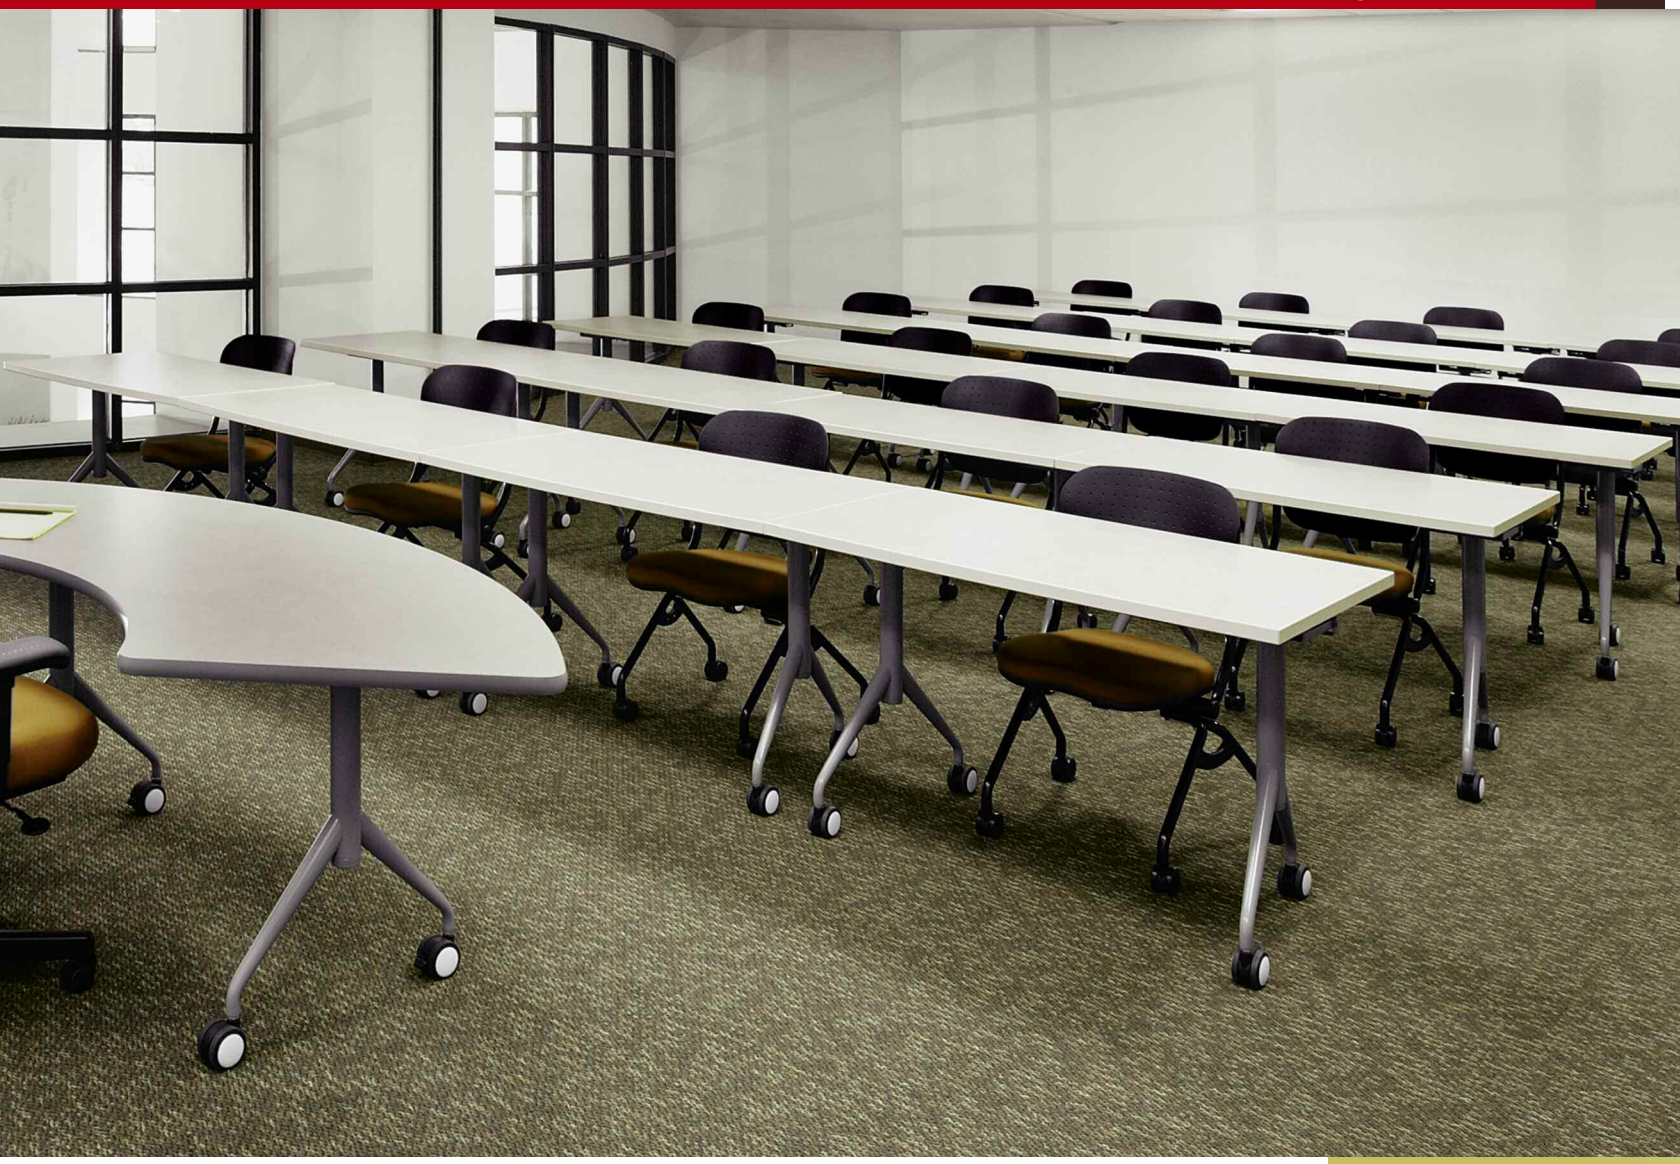
Training Tables



Novel

Novel tables offer a fresh, contemporary look. The angled profile of the leg is a significant departure from traditional floor-hugging bases. And the dramatic glide design complements the leg profile. Novel is available in folding, fixed or flip-top models with standard or lightweight tops. Oversized glides or casters enhance the leg design. Novel's modesty panels are available in a folding or quick-release option to create extra space when necessary.

Outstanding functionality and superior design. With Novel, you'll look at tables like you never have before.

Govern Multi-Purpose

Govern Multi-Purpose tables offer a contemporary yet elegant look. The graceful base provides a clean line, which complements the elliptical upright. Specify fixed or folding tables for conference rooms, training areas, dining, private offices, or for additional work space in an open-plan setting. This elegant base can be used in virtually any setting. Leg bases are available in t-base, x-base or tt-base versions. PowerUp® modules provide convenient power & data access Govern Tables.

Govern Training

Technology and power are absolute necessities for training or learning environments, and Govern Training Tables give you as much or as little power as you need. Choose from non-powered, PowerUp®/Connect, 8-wire/4-circuit (UL listed for entire table), or hard-wire options.

The beam and wire trough assembly provides free access to the leg's wireway, as well as to adjoining tables without threading the wires. An optional data cover provides metal separate of power and data. Dual-channel leg wireways provide separate channels for power and data. When the wireway door is closed, all you notice is the elegant leg.

The smart choice for learning environments of any type, Govern Training Tables deliver powerful training in a beautifully designed system.
