TERMS AND CONDITIONS

The Customer Service Center

Contact the UNICOR Customer Service Center for any questions or assistance regarding the information in this price list. Our business hours are 7:30 AM to 6:00 PM (EST), Monday through Friday (excluding federal holidays). Our phone number is (800) 827-3168.

Order Acknowledgment

UNICOR acknowledges every order. Orders are accepted, filled, and invoiced based on the information in this written order-confirmation. Should you note any discrepancy, please advise us immediately.

Your order acknowledgment indicates a due date when your products will arrive. In the event your products are manufactured earlier than scheduled, we will ship them upon completion, providing that your purchase order states "Early Shipments Authorized".

Order Modifications

Modification to your purchase order will be accepted up to 6 weeks prior to the due date indicated on your order acknowledgment. However, if the revision results in a change in product availability, a new due date may be set by UNICOR. Such due date adjustment may be for your full purchase order, whether or not the specifications of all line-items on it are modified. All purchase order modifications are acknowledged in writing, including the annotation of any adjusted due date(s).

Changes requested after we obtain materials for your order may be subject to an upcharge. Confirmation of your order modification will note any such additional charge(s).

Standard Lead Time

Typical lead time for seating product delivery is 60 days after receipt of your order. However, volume orders having optional finishes or fabrics may take longer, and therefore have an extended due date on your order acknowledgment.

Quick Ship Lead Time

Quick Ship (Q/QS) products will be shipped within 30 days after the date of your order acknowledgment. If for any reason delivery time exceeds the confirmed due date, UNICOR will automatically deduct 10% from the cost of the delayed Q/QS items on your invoice.

Quick Ship Order Limitations

Quick Ship seating purchases are generally limited to a quantity of 15 items per Q/QS line-item. They also typically have a \$15,000 maximum order limitation for the total cost of all Q/QS items on a single purchase order. However, based on product availability, UNICOR will consider acceptance of Q/QS orders which somewhat exceed these limitations.

Quick Ship Product Availability

All Q/QS purchases are accepted based on product availability at the time an order is placed, whether or not the order is within UNICOR Quick Ship order limitations.

If for any reason a Q/QS product is not available for shipping within 30 days after the date of your order acknowledgment, UNICOR will propose an alternate delivery date for your approval. Such order modification will be proposed via your order acknowledgment, and will be based on standard (non-Q/QS) pricing. In

addition, UNICOR will not process an order for an alternate proposal without your written approval.

Product Delivery and Pricing

We take both FOB Origin and FOB Destination orders. All products are shipped via surface transportation.

On FOB Origin orders, title/product-responsibility passes to the customer at the time of shipment. You may arrange your own transportation on FOB Origin orders, coordinating with FPI accordingly. Otherwise, your order will be shipped by common carrier at your expense.

On FOB Destination orders, title/product-responsibility passes to the customer upon delivery to the dock of the designated point-of-delivery. Freight charges are included in the product prices listed in the FOB Destination column of this price list.

Contact the Customer Service Center for destination prices where none are given. Such destination pricing for delivery outside the continental U.S. must be negotiated based on the freight rates at the time of shipment.

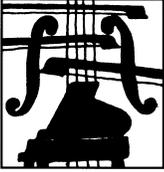

Services, such as space-planning/design, storage, inside-delivery and installation are not in this price list. Contact the Customer Service Center for such service-fee quotations.

Product Pricing Discount

The volume discount for seating per single purchase order is as follows:

\$25,000 thru \$200,000 = 2%
Over \$200,000 = 5%

Discounts do not apply to design, storage, inside-delivery or installation services. They apply to seating as priced in this Overture price list only, and cannot be combined with other FPI discounts or special promotions

TERMS AND CONDITIONS

Special Packaging

Standard packaging varies per individual product. UNICOR will accommodate your special packaging requests, however, an upcharge may apply. Contact the Customer Service Center for more information.

Shipment Claims

UNICOR products are packed to comply with carrier requirements. All shipments should be inspected by the consignee before acceptance.

The delivering carrier should be requested to record any damage or shortage of items shipped. If any shortages are discovered, please also notify UNICOR Customer Service Center immediately.

Shipping damage and shortage claims must be filed with the carrier within 15 days of delivery. This applies to both FOB Destination and FOB Origin shipments. Carrier liability ends after 15 days for shipping damages or shortages.

Concealed Damage Claims

Claims for concealed damages must be filed with the carrier within 15 days after the delivery of goods. This applies to both FOB Destination and FOB Origin shipments. Carrier liability ends after 15 days for concealed damages.

Neither UNICOR nor the carrier will be responsible for concealed damages if shipments are left unopened and/or claims are not filed with 15 days.

Product Storage

If necessary, UNICOR will store products at the factory at no expense to you for a period not to exceed 30

days. However, such storage is predicated on the availability of our warehouse space at the time of need.

If UNICOR storage space is not available, or if you require storage in excess of 30 days, we will assist you in finding commercial storage alternatives at current market rates, at your expense.

Customer-Delayed Deliveries

Please notify the Customer Service Center at least 2 weeks prior to the confirmed due date when you cannot receive delivery of goods by that scheduled date. We will delay the delivery at your request. However, after 30 days of such delay, you will be invoiced for the subject products whether or not delivery is extended beyond this first 30 days.

UNICOR may allow up to 2 weeks for shipping. Therefore, if you do not request delayed delivery at least 2 weeks prior to the confirmed due date for arrival of your shipment, we may incur additional handling costs.

UNICOR will bill you for such handling costs if you refuse receipt of the goods, or request delayed shipment in less than 2 weeks prior to the due date on your order acknowledgment.

Product Returns

All product returns must be coordinated in advance with the Customer Service Center. Additionally, all freight or express service charges must be prepaid on return shipments.

Product returns may be subject to your being invoiced for additional handling/restocking fees. UNICOR will determine and notify you of such charges upon receipt and inspection of the returned goods.

Order Status

Call the Customer Service Center to obtain status of your order during order processing or the production and shipment/delivery of goods. We will give you the status based on your purchase order number and/or the UNICOR work order number on your order acknowledgment.

You may also access your order status by clicking on the customer service icon on our website at www.unicor.gov.

Invoice Payment

Payments from government agencies should be addressed to:
UNICOR - FPI
P.O. Box 371736
Pittsburgh PA 15252-7736

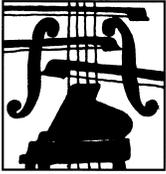

Payments from private sector parties should be addressed to:
UNICOR - LEX
Accounts Receivable
P.O. Box 11670
Lexington KY 40583-3640

All general billing or specific invoice questions should be directed to the UNICOR Customer Service Center.

Product Warranty

UNICOR guarantees all furniture products will be free from defects in materials and workmanship. If at any time an item we have provided does not meet your expectations, we will repair or replace it at our expense.

While our product warranty covers our seating product, itself, to be free of defects in materials and workmanship, it does not apply to COM/COL textiles supplied by others. It does, however, apply to any and all upholstery textiles supplied by UNICOR.

FABRIC AND FINISH INFORMATION

UNICOR Upholstery Fabrics

We offer an extensive selection of fabrics for upholstering our seating products. These are available in our Standard Fabric Program (including options for Quick Ship purchases), and the UNICOR Extended Fabric Program for use in volume orders.

Standard Fabric Program

Our Standard Fabric Program can be used for all UNICOR seating items, regardless of your order volume. It has solid and patterned fabrics and vinyls. It also offers a selection of leather upholstery options. This program includes 20 patterns in 241 colorways.

Quick Ship Upholstery

Within our Standard Fabric Program, selected items can be used to upholster seating purchased on Quick Ship orders. These patterns/specific colorways are annotated as Quick Ship fabrics and leathers on all their photographic and actual samples

Extended Fabric Program

Our Extended Fabric Program is available for use on all UNICOR seating products. However, it is only offered for volume orders of at least \$25,000 of UNICOR seating on a single purchase order.

UNICOR's Extended Fabric Program includes all of our standard upholstery textiles (including the Quick Ship options). However, it has been "extended" to also include many other fabric, vinyl and leather upholstery options not available in the standard program. Altogether, the Extended Fabric Program has 150 patterns — offering more than 1500 colorways.

UNICOR Upholstery Samples

Our Standard Fabric Program (including Quick Ship options) is shown in photographic, color samples in our "Upholstery Colors" brochure, #212-96. It is also shown (in actual fabric samples) on 7 fabric sample cards as follows:

- Wool & Nylon
- Nylon Crepe
- Trevira FR
- Novelle Herculon
- Vinyl
- Leather
- Quick Ship Fabrics

The upholstery brochure and fabric sample cards, as well as 3" x 3" individual (non-photographic) upholstery samples are available on request from the Customer Service Center.

The Extended Fabric Program is sampled in a set of five binders of fabric cards. The set has samples of all colorways of the full Extended Fabric Program (including the standard program fabrics, with the Quick Ship options).

Your Extended Fabric Program binders will have registration number. Refer to it when you contact the Customer Service Center to request replacement or additional sample cards for your binders (at no charge).

Customers Own Material

At your request, we will upholster UNICOR seating product with your materials. You may use and specify Customers Own Material (COM), or Customers Own Leather (COL). However, we require a 12" x 12" actual sample for evaluation. The fabric width and vertical/horizontal fabric repeat(s) must be annotated along with the pattern/color name and number on this sample. Please forward it with your purchase order.

COM/COL Material Acceptance

UNICOR reserves the right to reject COM/COL if we do not consider it suitable for application as specified. Also, FPI acceptance of COM/COL materials does not in any way relieve the textile suppliers of the COM/COL goods of responsibility. They shall remain responsible for color consistency within commercial tolerances, UV stability, and resistance to perspiration and other soiling.

COM/COL Quantity Requirements

Yardage requirements listed in this price list are only for 54" wide, plain goods. For 54" wide goods having pattern repeats, use the following percentage increases to determine the yardage amount needed. (For fabrics less than 54" wide, contact the Customer Service Center for assistance.)

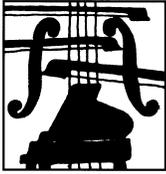

2" - 10" repeat = 10%

11" - 20" repeat = 15%

Over 20" repeat = 25%

All COM materials must be supplied in continuous yardage. Multiple yardage cuts will not be accepted without prior written exception/ approval by FPI Customer Service.

COL materials must be supplied in a minimum of 55 square feet per hide, with a minimum yield 80%.

FABRIC AND FINISH INFORMATION

Treated COM/COL Materials

COM/COL materials requiring treatment, such as Scotchgard or acrylic backing may shrink during processing. Please instruct the fabric supplier to remeasure after processing, to assure adequate yardage is shipped for your order.

Excess or Canceled COM/COL

UNICOR will dispose of leftover COM/COL material when your seating product is shipped, unless your order instructs us to ship any excess with your finished goods.

If you cancel an order for which we have received COM/COL material, it is your responsibility to arrange for pick-up of these goods. In addition, this must be done in a timely manner, and you must notify us accordingly. UNICOR does not otherwise assume any responsibility for their return.

Shipping COM/COL Materials

Your COM/COL goods must be shipped, freight prepaid, to the FPI factory assigned your order. Contact the Customer Service Center for this factory assignment and address. Ship the goods sidemarked on the outside of the package with 1) Customer Name; 2) Customer Agency; 3) Your Purchase Order Number with FPI; 4) Fabric Name/Number on our Purchase Order; and 5) Yardage Amount.

COM/COL Pricing and Delivery

Pricing for our seating products to be upholstered in COM/COL is the same as pricing for our Standard Fabric Program fabrics and leathers.

The due date for the delivery of a COM/COL order is based on the date your purchase order indicates

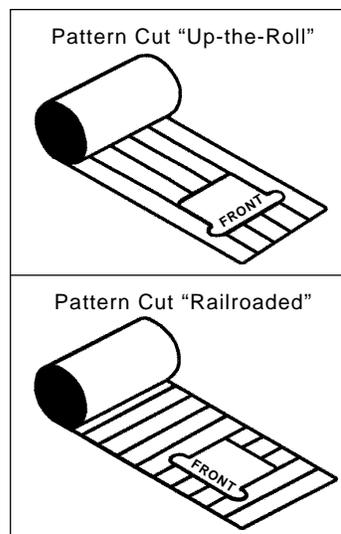

the upholstery goods will be received by us, as your initial order acknowledgment will confirm. However, if we receive your COM/COL goods after such date, we will revise your seating order delivery date, and send you written notification accordingly.

COM/COL Purchase and Payment

Ordering and payment of COM/COL goods are the responsibility of the customer for all standard orders. The same is true for volume orders unless other arrangements are made with us. For volume orders, upon request, we will consider purchase of such fabric via an FPI textiles contractor. In such instance, however, you may be asked to provide a written purchase justification. Contact the Customer Service Center for more information.

Upholstery Fabric Application

We will apply upholstery fabrics in standard (up-the-roll) application or railroaded as indicated below.

UNICOR procedures for determining which of the two above upholstery applications to use are as follows.

1) UNICOR fabrics will be applied as shown in our fabric samples, unless specified otherwise on your order.

2) If our fabric sample does not indicate the fabric is shown railroaded (as most do not), we will apply the fabric up-the-roll unless your order states "Railroad Fabric".

3) If our fabric sample indicates the fabric is shown railroaded, we will apply the fabric railroaded (as shown in the sample) unless your order state "Do Not Railroad Fabric", in which case we'll apply it up-the-roll.

4) All COM fabric will be applied up-the-roll unless your purchase order states "Railroad Fabric".

Seating Remanufacturing

Seating product returns for fabric or fabric application changes will incur charges for additional freight and remanufacturing/reupholstering costs. Please contact the Customer Service Center if you require a larger/memo fabric sample, or a "first-article review" agreement to approve a product prior to our filling your order.

Seating Product Finishes

Photographic finish samples for our seating products (wood, metal and plastics) are on the inside back cover of the Overture catalog. We have taken great care to accurately reproduce these finishes. However, there may be variations between the photographic and actual finishes.

Also, finished products may vary slightly. We cannot assure an exact piece-to-piece match due to certain variations in raw materials such as wood. Actual wood finish samples are available through the UNICOR Customer Service Center.
