ABOUT TENOR

Tenor is a comprehensive line of mattresses, bedding and linens that is designed to accommodate the wide variety of requirements for today's dormitory and quarters environments.

The line includes several types and sizes of mattresses, sheets, blankets, bedspreads, towels and more for virtually any conceivable room configuration. UNICOR linens can be personalized with your organizations name and emblem for added appeal or for inventory control.

MATERIALS AND FABRICATION METHODS

UNICOR Mattress, Bedding and Linen Products

Our catalog will acquaint you with UNICOR's fine line of quality mattresses, and linens and enable you to order the UNICOR products that best meet your needs. Recognizing that needs differ among customers, UNICOR has developed a line of products to fit any bedding or linens requirement.

Our top-of-the-line Royal Court and Nightingale series bring a superior level of comfort to guest and living quarters, while our Bioposture and Barracks series are ideal for dormitories and barracks. Our BodyCare and Bunk mattresses serve institutional needs.

MANUFACTURING

Building Value from the Ground Up

We at UNICOR take extra care to produce bedding and linens products that provide superior value for a reasonable price. Our box springs are constructed with high-loft padding for comfort and durability and reinforced for greater strength and support. In the same way, our mattresses, in regular, firm and extra-firm models, are layered with first rate materials and ticking, then padded to guarantee luxurious comfort and a good night's sleep.

MATERIALS

Getting Out What You Put In

Only the finest materials are incorporated into UNICOR bedding and linens products. Mattress pads are allergy- and odor-free and mildew-resistant. Resilient high-loft padding, high-tech polyurethane foam and quality ticking complement a superior design and ensure our mattresses and box springs will provide restful, posture-correct service for a long, long time. Similarly, our linens products use only quality grades of percale, muslin and terry cloth.

PRODUCT TESTING

Where Quality Begins

To ensure its high standards of quality, UNICOR subjects its bedding products to the same rigorous testing applied to the finest commercial bedding. Our coil wires exceed industry standards and all UNICOR mattresses and box springs meet or exceed the flammability standards set down in DOC-FF-4-72. All bedding components are visually checked for quality construction. Finished mattresses, box springs, and in particular ticking, padding and springs are subjected to gruelling machine-controlled torture testing. Impact and spring compression tests pound and roll the bedding, and then all components are carefully examined for damage and wear in a post-test analysis. Only the finest bedding products are permitted to bear the UNICOR name.

HELPFUL INFORMATION

On page iv of the pricelist is a helpful glossary of terms. Instructions on how to place an order, or obtain more information and details on UNICOR's Quick/Ship Credit Card program are on page iii. Also, the cross-reference chart on page v will help match your mattress with appropriately sized sheets, blankets and bed frames.

UNICOR is a preferred source (no bidding necessary) which accepts purchase orders from U.S. Government agencies and government contractors with authority to buy UNICOR products. At UNICOR, "Total Customer Satisfaction" is our goal.

HOW TO ORDER TENOR MATTRESS, BEDDING AND LINEN PRODUCTS

BY INTERNET

We're on the World Wide Web, ready to take your electronic order.
See us at www.unicor.gov.

BY PHONE

Use your government purchase card and call us toll free at (800) 827-3168.
Please have your credit card information ready if you are going to charge your purchase.

BY FAX

Fax your order to (606) 254-9048
Be sure to include all credit card information

BY MAIL

Mail your purchase order to:
UNICOR Customer Service Center
P.O. Box 11670
Lexington, KY 40577-1670

CUSTOMER SERVICE

For information on products, services, prices or to request catalogs, call the UNICOR Customer Service Center at (800) 827-3168.

If you are paying by credit card, please include your credit card information on the order form. Your personal information will be kept confidential. Only UNICOR supervisory staff will process credit card orders.

ESCAPE PROOF GUARANTEE

We take great pride in teaching a good work ethic and marketable job skills to inmates in order to produce high quality goods and services for our customers. We are committed to your complete and continual satisfaction. If, at any time, an item we have provided does not entirely meet your expectations, we will cheerfully and promptly repair or replace it, entirely at our expense. Contact the Customer Service Center at (800) 827-3168.

QUICKSHIP PRICES INCLUDE SHIPPING

Shipping costs are included in the price of all QuickShip items in this price list. Mattresses are available FOB origin for your convenience. The freight charges outside the contiguous U.S. will be based on freight rates at the time of delivery. Call (800) 827-3168 for rates. Prices guaranteed through March 31, 2000.

GLOSSARY OF TERMS

Anti-Bacterial—Factory-applied treatment that enables anti-bacterial agents to be activated by wiping the treated surface with a damp cloth.

Anti-Static—Factory-applied treatment that enables the treated fabric to resist static.

Batting Barrier—Cover for the cotton felt filling used in UNICOR's Bunk Mattress.

Bonnell-Type Spring—Spring designed in the shape of an hourglass and knotted at both ends for strength.

Border—Perimeter of the mattress.

Border Rod/Wire—Strong wire running the perimeter of the mattress providing strength, durability and support to the mattress shape.

Continuous Wire Innerspring—Unique spring design that provides strength and durability to the innerspring.

Corner Guards—Protective plastic edge guards applied to the mattress corners to reduce wear.

Cotton Linters—Lesser quality cotton used for filler.

Fiber Resin—Fiber bonding agent used in UNICOR's insulator pads.

Gauge—Measure of wire/spring thickness; a lower gauge denotes a thicker, stronger wire.

High-Loft Pad—Pad made from resilient material to provide softness and comfort.

Inner-Tufted—Tuft-stitch that is covered by ticking and generally not visible.

Insulator Pad—Pad covering the innerspring.

Lift Handles—Handles attached to the mattress sides for easier handling.

Multi-Needle Quilting—Commercially accepted method UNICOR employs to quilt mattress ticking for greater durability.

Open End Offset Coil—Hourglass strapped spring similar to a Bonnell-type but open at both ends and with no knot.

Overwrap Pad—Inner padding used to cover top and sides of the mattress.

Staple Cotton—Yarn quality cotton, used for strength.

Stitch Tufted—Tuft formed by stitching through the mattress.

Ticking—The top-most mattress covering.

Topper Pad—Padding applied on top of the overwrap pad and immediately below the ticking.

Water-Resistant—Factory-applied treatment that causes fabrics to resist water.

Sold only in increments of one dozen. Other size cuts are available. Contact factory at (305) 235-8779 for pricing and availability. Provide mattress size when ordering.

TERMS AND CONDITIONS

Order Acknowledgement

Every order is acknowledged. Orders are manufactured and invoiced based upon the information on the order acknowledgement. If there are any discrepancies, please notify UNICOR immediately. Orders are accepted by UNICOR per terms on the acknowledgment.

All acknowledgments contain a due date. This date represents when you can expect to receive the product. If you want the merchandise to ship as soon as possible, without regard to the actual due date, please specify "Early shipments authorized" directly on the order.

Product Delivery/Pricing

UNICOR will accept both FOB Origin and FOB Destination orders. FOB Destination is to the dock only.

Additional services, such as inside delivery, planning services, design, storage, and installation are not included in catalog price lists. When these services are required, contact the Customer Service Center (800) 827-3168 for a quote.

Freight charges are included in the product price if the order is quoted FOB Destination. If the pricing is obtained from a catalog, the "FOB DEST" column on the price list must be utilized. If there is not a destination price in the price list, you must call the Customer Service Center at (800) 827-3168 to obtain destination pricing.

All orders are shipped surface transportation. On FOB Origin orders, title passes to the customer upon arrival at the customer's designated delivery point. Deliveries to Alaska, Hawaii and foreign countries must be negotiated based on the freight rates at the time of delivery.

On FOB Origin shipments, the customer may arrange their own transportation. If this is chosen, the responsibility to coordinate with UNICOR rests with the customer.

Order Changes

Change orders will be accepted up to six weeks prior to ship date. If the selected products are not readily available, a new lead time for the entire order may be recalculated.

Orders being revised after being manufactured are subject to an additional upcharge.

Order Status

Call our Customer Service Center at (800) 827-3168 and give one of our friendly customer service representatives your purchase order number and/or the UNICOR work order number. These numbers are provided on the customer order acknowledgement letter. Within minutes you will be provided the status of your order.

To access the status of your order on the UNICOR Web site at www.unicor.gov, click "Order Status" and complete the requested information.

Payment

Payments for products and/or services are to be addressed to:

UNICOR - FPI
P.O. Box 371736
Pittsburgh, PA 15252-7736

All billing questions should be directed to the Customer Service Center at (800) 827-3168.

**Product Returns**

UNICOR will not permit the return of products without written authorization. Return shipments are subject to a re-handling restocking charge, the amount of which will be determined after the merchandise is received and inspected. All freight or express charges must be prepaid on return shipments.

Packaging

Packaging varies according to individual product. A surcharge may be added for special packaging requests. Contact Customer Service for specific information.

Shipment Damage Claims

All products are packed to comply with carrier requirements. All shipments should be inspected by the consignee before acceptance and the delivering carrier should be requested to record any damage or shortage.

Notification of concealed damage must be made to the delivering carrier within 15 days after delivery of the merchandise, regardless of FOB Origin or FOB Destination shipping.

Carrier liability ceases after 15 days for shipping damages or shortages.

Unopened Shipment Damage

Neither UNICOR nor the carrier will be responsible for concealed damage claims if shipments are left unopened. Notification of concealed damages must be made to the delivering carrier within 15 days after delivery of the merchandise.

Shortage Claims

If shortages are discovered, the Customer Service Center should be notified immediately.

All shortage claims must be reported within 15 days after delivery of the merchandise.

Product Storage

Customers may require a delay in the shipment of products. Products may be stored at the factory, at no expense to the customer, if space is available for a time not to exceed 30 days.

If storage space is not available at the factory or if the shipping delay is beyond 30 days, UNICOR will assist the customer in seeking storage at current market rates, at the customer's expense.

The customer will be invoiced for all products with delayed deliveries beyond 30 days.

Product Re-Delivery

When re-delivery of merchandise is required because the customer is not ready to accept the merchandise, for the agreed upon delivery time frame, and no notification of this fact is given to the factory at least two weeks prior to the scheduled ship date, the actual cost for freight, restocking and re-handling will be billed to the customer.

Specifications

UNICOR reserves the right to make changes in design, and/or construction on non-spec catalog items without advance notice.

For more information about UNICOR products or services contact Customer Service Center at (800) 827-3168.

UNICOR REGIONAL SALES OFFICES
