### Product Delivery and Pricing

We take both FOB Origin and FOB Destination orders. All products are shipped via ground transportation.

On FOB Origin orders, title/product-responsibility passes to the customer at the time of shipment. You may arrange your own transportation on FOB Origin orders, coordinating with FPI accordingly. Otherwise, your order will be shipped by common carrier at your expense.

On FOB Destination orders, title/product-responsibility passes to the customer upon delivery to the dock of the designated point-of-delivery.

Freight charges are included in the product prices listed in the FOB Destination column of this price list.

Contact your local UNICOR/OFG Sales Representative for destination prices where none are given. Such destination pricing for delivery outside the continental U.S. must be negotiated based on the freight rates at the time of shipment.
