Version 3.1

Casegoods Spec Sheet

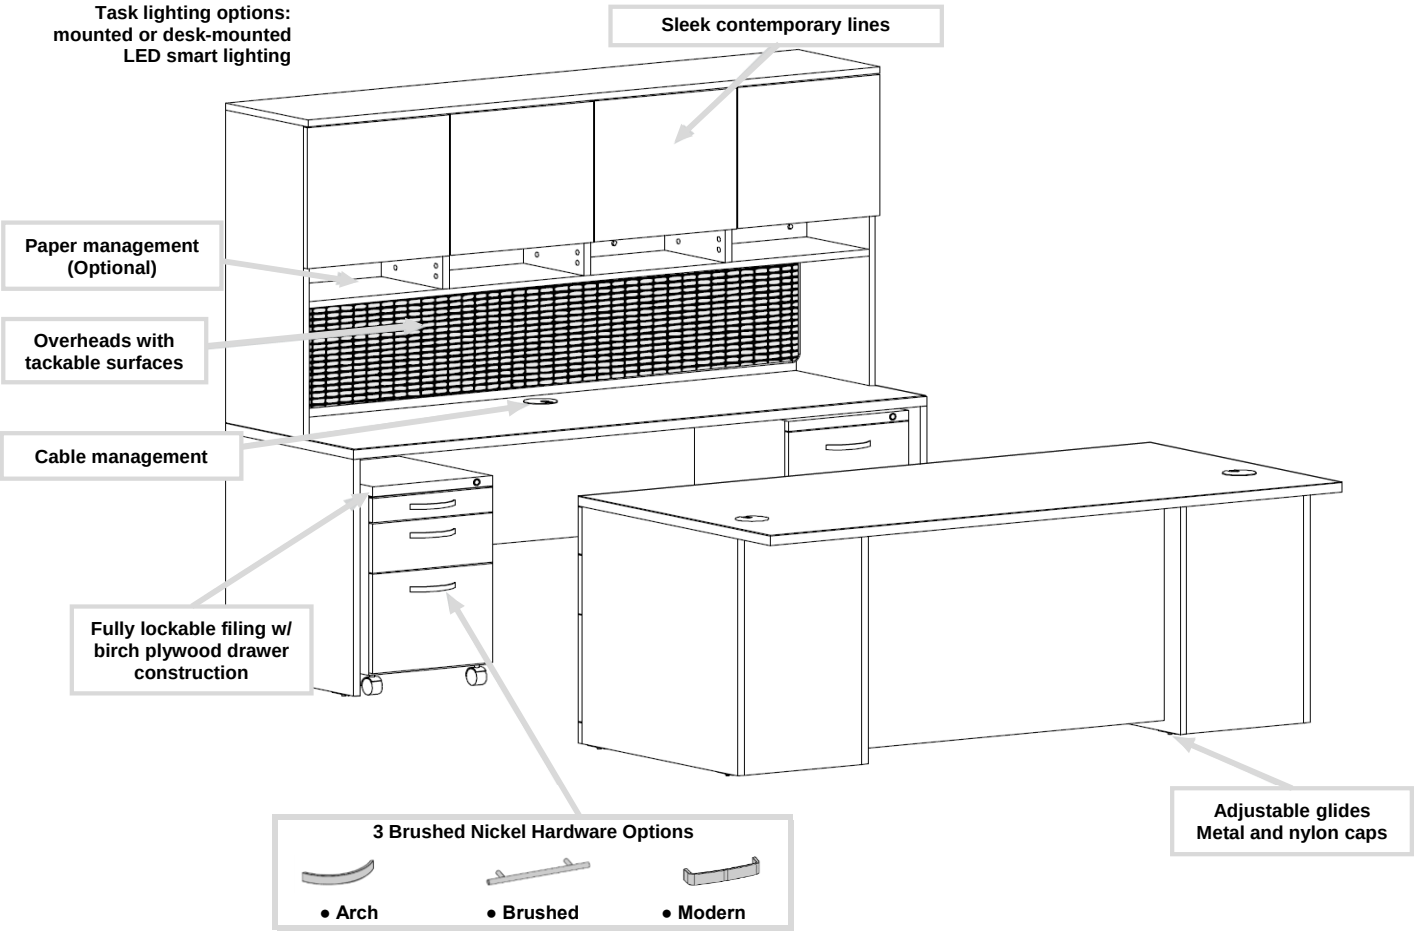

High Pressure Laminate

With an upscaled design tailored to create distinctive, functional work environments, Integrate offers you a myriad of choices to help you create a truly custom look.

Integrate's distinctive design maximizes its flexibility.

A thin profile and fewer parts give this line a clean and modern aesthetic.

Standard Features:

- 32 mm construction
- Durable high-pressure laminate
- Cam lock construction for flexible replacement and field reconfiguration
- Soft-close hinges
- Full extension drawers
- Knocked-down components available (Not Available on all Products)
- Meets or exceeds BIFMA commercial office standards

INTEGRATE R2 Overview

Integrate offers contract grade quality and durability all priced to fit your budget. Complementary, coordinating or contrasting color schemes, choices of hardware, and built-in flexibility make Integrate an excellent choice for any office setting.

Extensive ergonomic seating solutions are also available to compliment this offering to complete one cohesive look.

With one of the best warranties in the industry, we stand behind everything we build.

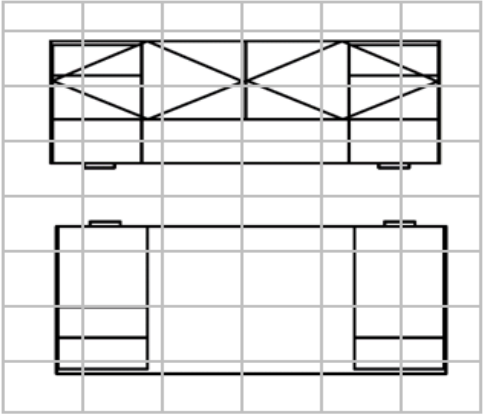

Integrate proves you really can have it all!
