Product Overview

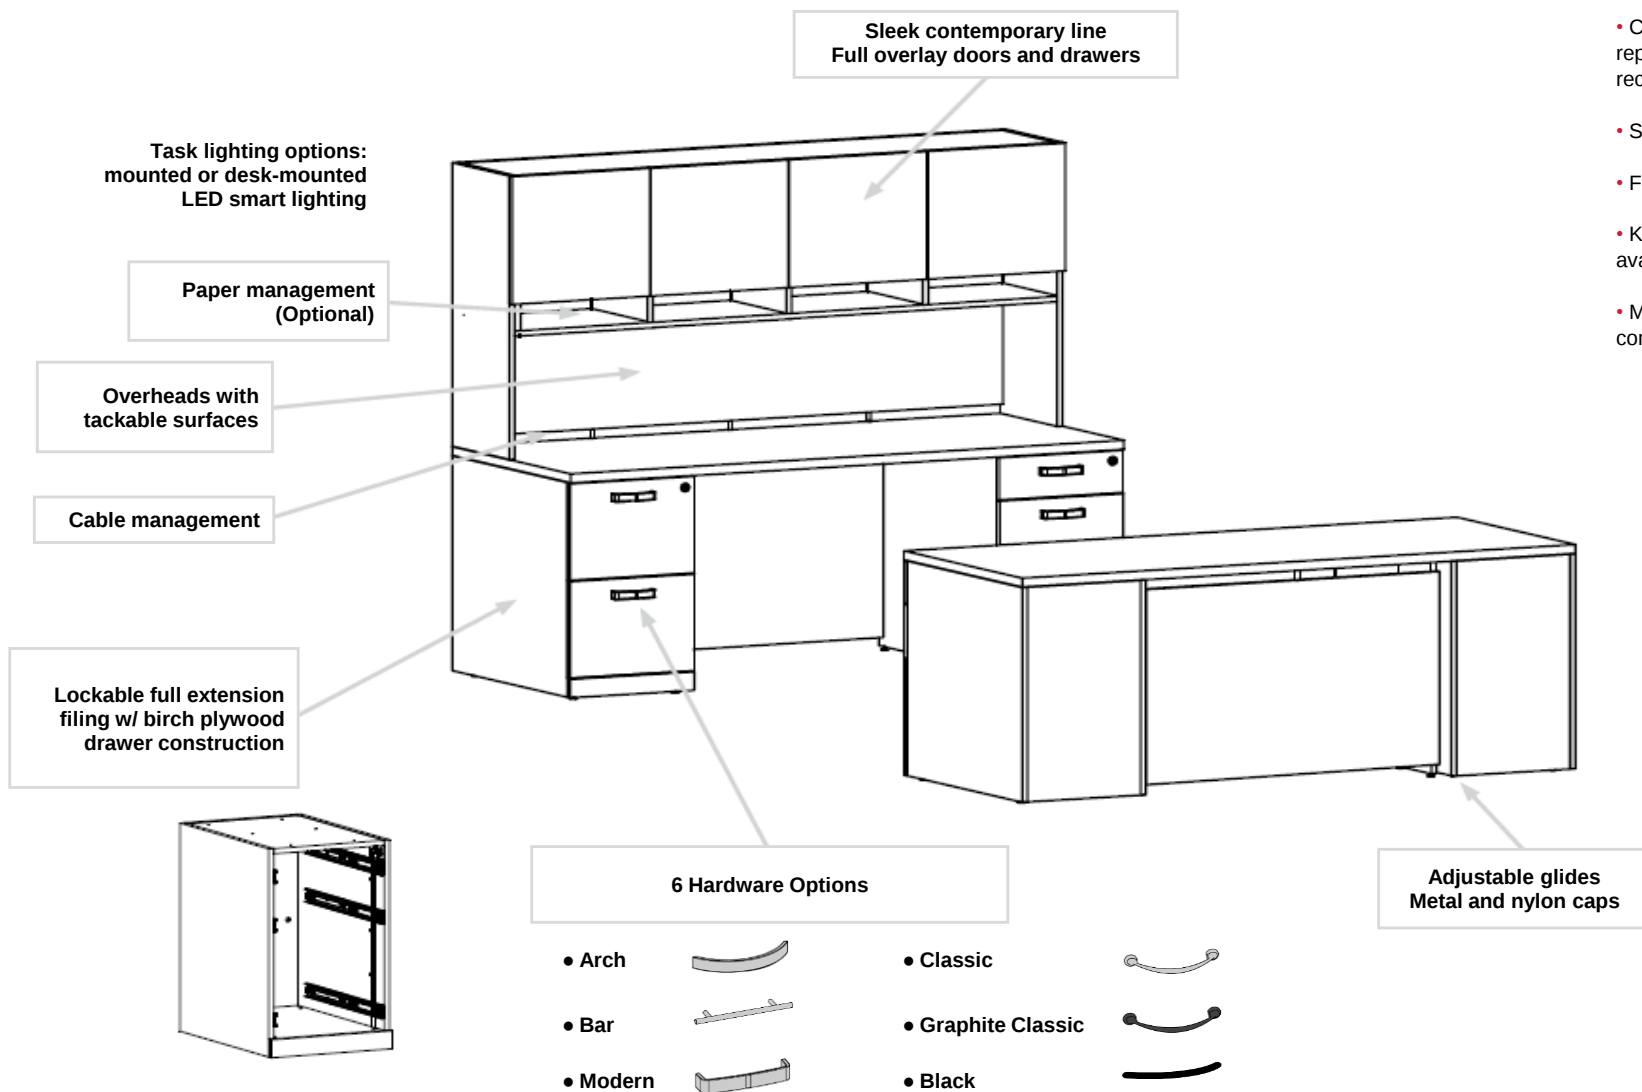

- Upscale design tailored to create distinctive functional work environments
- Offers a myriad of choices to help you create a truly custom look
- Distinctive design maximizes flexibility
- A thin profile and fewer parts gives this line a clean and modern aesthetic
- Quality and durability all priced to fit your budget

- Complementary, coordinating stain finishes, choices of hardware, and built-in flexibility make Relevante an excellent choice for any office setting
- Extensive ergonomic seating solutions are also available to complement this offering to complete one cohesive look
- Leading industry warranty - We stand behind everything we build

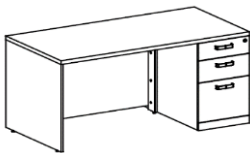

RELEVANTE

STANDARD FEATURES:

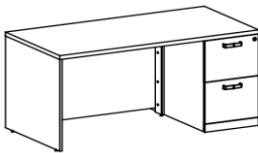

- 32 mm construction
- Hardwood-edged, Grade "A" Cherry Veneer. Birch plywood drawer construction
- Cam lock construction for flexible replacement and field reconfiguration
- Soft-close hinges
- Full extension drawers
- Knocked-down components available
- Meets or exceeds BIFMA commercial office standards

- 32mm fabrication system ensures precision construction and assembly
- This piece is designed to be paired with freestanding (non-float) modular components
- Engineered wood substrate (1-1/8" work surfaces, 3/4" vertical panels and 1-1/8" tops on freestanding components)
- Nylon-capped leveling glides
- Mounting screws provided for splice plate
- Field adjustable end panel position (Left or Right)
- Half Modesty is recessed 3" which accommodates clamp mount monitor arm
- 1-1/4" opening of modesty panel (top & bottom) enables wire/ cable management
- Metal hardware & leveling hinges

Configuration
